

NORDIC RENDEZVOUS ROYAL™

A rendezvous is defined as a meeting at an appointed place and time. Perhaps it is summer off the shores of Malibu. Or winter in the warm springs of British Columbia. Or perhaps it is anytime, **in your very own backyard.** Welcome to the Rendezvous Royal™ from Nordic, a larger, diamond-shaped tub that's the perfect meeting place for friends, family, or that special someone.

Our diamond-shaped tub is 25% larger than our round tub, with deep, unobstructed seating and with room for up to 8 people. The Rendezvous Royal™ comes with 2 powerful pumps and 49 jets, including 2 turbo/whirlpool jets, 40 hydro-therapy jets, 5 rotating VSR jets, and 2 ozone jets. You can be gently massaged, or if you prefer, tossed around like the *Andrea Gail*.

Like all our tubs the Rendezvous Royal™ is crafted from unique, rigorously tested thermo-plas shells, which carry a limited lifetime warranty. Its cabinets

are constructed from PermaWood™, a special synthetic wood that requires no staining or up-keep and lasts a lifetime, or Natural Western Cedar. The Rendezvous Royal™ is water tested twice, equipment tested and jet tested.

After all, it is a Nordic.

We think it might be the finest meeting place ever crafted.

Dual turbo jets are strategically placed to interact with one another, creating a warm circular motion that offers real whirlpool therapy.

For an upgrade add a CD Stereo System. With speakers built into the shell and external speakers attached to the cabinet, you can let the good times roll all day long. This stereo system has all you need to relax and enjoy your new Nordic Hot Tub.
